

Cafeteria Handbook

The Archdiocese of Louisville is no longer participating in the USDA National School Lunch Program. We will no longer offer Free breakfast and lunch. Students that receive tuition assistance will qualify for reduced meals.

Hot lunches are offered daily and all students are encouraged to participate. A nutritionally well-fed student is happier, calmer and physically able to perform better at school or home.

NO FAST FOOD OR SOFT DRINKS

It is nice for the students to see that grownups also eat nutritious lunches. We advise that soft drinks or "fast-food" lunches not be brought in when parents visit for lunch. We want to emphasize nutritional eating by the foods sold in the cafeteria. We ask that when you come to eat lunch with your child, you help us continue to model healthy, nutritious eating.

Please contact the cafeteria if you plan to join us for lunch before 9:00.

FOOD ALLERGIES

All food allergies will need to be communicated to the cafeteria staff by the parent and/or guardian.

Upon Food Service being notified of special dietary need and/or allergy a notice is placed into the student's lunch account in the dietary notes of the register program. This is utilized as an additional resource for kitchen staff so that student's tray can be checked upon them ringing their meal purchase.
